Authorama.com

features a nice

selection of free

books written in

HTML and XHTML,

which basically

means that they are in

easily readable

format. Most books

here are featured in English, but there are

quite a few German

language texts as

well. Books are

organized

alphabetically by the

author's last name.

Authorama offers a

good selection of free

books from a variety

of authors, both

current and classic.
