Fantasy is my jam so of course now that I have a child, I want her to have all the fantasy things. Thankfully, there are plenty of fantasy books for kids out there. But that can also be overwhelming. My time as the young adult and middle grade shelver at work and as a middle school reading tutor showed me how hard it is for parents to find age-appropriate material for their kids.

Black Wolves by Kate Elliott – This was the first book a read this year and it totally knocked me out. It is an absolute masterpiece of worldbuilding and character creation and it was impossible to put down. Except on more than a few occasions when I had to put it down for a moment and pace around the house because it was so intense to read.
