**Authorama.com features a nice selection of free books written in HTML and XHTML, which basically means that they are in easily readable format. Most books here are featured in English, but there are quite a few German language texts as well. Books are organized alphabetically by the author's last name. Authorama offers a good selection of free books from a variety of authors, both current and classic.**

There's a reason why so many kids and adults are obsessed with unicorns: They're majestic and magical, strong but peaceful, and ultimately, somewhat mysterious. To add a little sparkle to your child's day, here is a curated collection of the best reads about these wondrous creatures for a wide range of ages (and we won't bat an eye if you read them for fun, too).
