Signals & Systems

Book Language: English. Signals and Systems Textbook by Anand Kumar Pdf Free Download. A. Anand Kumar's Signals and Systems, published by PHI Learning Private Ltd., is a comprehensive book for Electronics Engineering students, and AMIE and IETE students. It discusses the fundamental concepts of signals and the way they interact with physical ...

Books by Alan V. Oppenheim (Author of Signals and Systems)

This is probably the most excellent book on signals and systems I've come across. Also, the fact that there is an accompanying MIT open courseware course by Oppenheim that closely follows the textbook (readings are even assigned) makes this pretty much a no-brainer purchase. I'm knocking off one star for the poor writing of textbook examples.
