BRAND sense by Lindstrom, Martin (ebook)

BRAND sense isn't a book (although, without qualification, it's one I recommend that anyone with an interest in business strategy, branding, marketing or communications should read!) It's a fountainhead of inspiration, ideas, and practical approaches via a whole community of innovators in anticipating a future certainty: consumer behaviour, attitudes and expectations of brands are radically ...

Luxury fashion & independent designers | SSENSE

Sensory branding is a type of marketing that appeals to all the senses in relation to the brand. It uses the senses to relate with customers on an emotional level. Brands can forge emotional associations in the customers' minds by appealing to their senses. A multi-sensory brand experience generates certain
