Bruce R. McConkie was a Seventy at the time, and there was a bit of consternation over a Seventy speaking on behalf of the whole Church to define what was and was not doctrine. The first edition also had a lot of entries in it that defined false doctrines in other churches that were removed from the second edition because they had nothing to do with "Mormon" doctrine.

Mormon Doctrine, by Bruce R. McConkie, was written in 1958. It was written when Bruce R. McConkie was a Seventy, a position of authority in The Church of Jesus Christ of Latter-day Saints, but lower in authority than an apostle or prophet. The book was written without review or guidance from church leaders, and included a notation from him that he was entirely responsible for its content.

I'd like to hold a little "In Memoriam" session here at Mormon Matters for Bruce R. McConkie's Mormon Doctrine. It was the first book I ever purchased when a brand-new convert in 1979, in the authoritative-looking black-and-gold binding. It was the perfect place for a convert to go for a source of Church teachings in a pre-internet age.
