Build Your Own Crude FM Radio : 4 Steps - Instructables

# Download File PDF Build Your Own Transistor Radios A Hobbyists Guide To Highperformance And Lowpowered Radio Circuits

I borrowed Build Your Own Transistor Radios by Ronald Quan from the library. His regen circuits look quite unconventional to me. From his comments it seems that he has used his vast engineering knowledge and experience to design a regen without looking back at any circuits or active device types that have been used historically (that I know of!).
