KNOWN: The handbook for building and unleashing your ...  
Minecraft Construction Handbook is about how to make creations made out of blocks. For example, if you want to make an epic roller coaster, you will need wood staircases and powered rails. One of the hardest things to create is a red dragon coaster. In order to finish building that, it will take a very long time to finish.

My son did not like this book

Ok, before i start, you have an amazing island mate, I took a look at it in game and yeah:-I think the tower has way to much endstone in it doesnt really fit to the outside of the other buildings, same with the green glass on top of it. - I would change that glass to black one and i would change the acacia floor to a darker floor like spruce or ...
