Business And Canadian Law 5th

The 6th Canadian edition of DuPlessis, Canadian Business and the Law
is the preeminent resource for students who require an understanding
of the legal system as it relates to business - what circumstances
place an individual and an organization at legal risk and, more
importantly, what they can do to manage and minimize that risk.

Canadian cloud providers have the best knowledge of the country's privacy laws, so they're in the best position to securely store data from public and private companies. Before you move your business data to the cloud, think through the implications of doing so - and consider whether you could afford to recover from a customer data breach.
