Business Policy and Strategic Management
The central difference between strategic management and business policies is that strategic management is a system that helps guide and direct a firm, while policies, on the other hand, are merely rules to be followed. Business policies alone are not enough to provide guidance for a firm, they merely tell members of the organization what to do.

Business Policy and Strategic Management
Strategic Management Business Policy 1) Deals with strategic decisions that decide the long-term health of an enterprise. It is a comprehensive plan of action designed to meet certain specific goals. It offers guidelines for managers to take appropriate decisions. 2) It is a means of putting a policy into effect within certain time limits.
