This cantilever is best suited for shading large areas like patio conversation and dining seating sets. With a canopy of 11 inches in diameter, it shades any 72-inch rectangle or oval table that holds between six to eight seats.

Pro Port Canopies Cantilever carport canopy

The cantilevered style of umbrella means that you can use it nearly anywhere. Unlike standard table umbrellas that are designed with the pole going up the middle of the unit, a cantilevered umbrella has an offset pole. They are ideal for use in situations where you don't have the space for a standard style umbrella.
