Librivox.org is a dream come true for audiobook lovers. All the books here are absolutely free, which is good news for those of us who have had to pony up ridiculously high fees for substandard audiobooks. Librivox has many volunteers that work to release quality recordings of classic books, all free for anyone to download. If you've been looking for a great place to find free audio books, Librivox is a good place to start.

Photo editing software solution | Free trial | Capture One Pro
Historically, Capture One Pro software has been regarded primarily as an amazing RAW file converter for high-end cameras. With its newest release, Capture One Pro 9 goes well beyond its storied RAW conversions to become one of the most powerful image-processing applications on the market, addressing the imaging workflow from capture to print.
