Learn how to perform a complete Diesel Engine Service the right way with this Diesel Engine maintenance video. This Diesel Mechanic goes over the details of how to change the oil and filters on ...

3116 and 3126 HEUI Truck Engines Engine Oil and Oil Filter ...

Best to read the Cat engine manual to determine oil type, API rating and change interval. My coach owner's manual (includes chassis) specs less time between oil changes than the Cat owner's manual. Oil for diesel engines has a different API rating than gas engines although both ratings are often on the same oil.

Why The Change In C7 Oil Capacity

The C7 engine has 2 different oil pan options. One is the shallow pan and the refill capacity for it is 19 quarts including installing a dry oil filter. The other is a deep pan and it takes 27 quarts including installing a dry oil filter. As far as the fuel filters, most C7 engines do not have a hand primer pump.

Cat Commercial Diesel Engine Fluids Recommendations

C7 Engine Oil Level Change By Rudy Morris Effective March 1, 2005 all C7 engines leaving the Greenville, SC plant have a new oil pan capacity of 19 Qts. instead of 22 Qts. for C7 RV applications with a shallow sump. This change was brought about after a number of customers were having oil blow-by problems on their towed cars.
