Stephen King | Cell

This was a classic Stephen King novel! Roller coaster ride of thrills, twists, and turns! I read the first half of the book in one night as I could not put it down. Last night I finished the other half. The book is about cell phones that get hit with a pulse phenomenon that practically turns the human race into zombies.

The Book Spoiler for the book - CELL

Can someone explain to me the ending to Stephen King's Cell. Obvious spoiler below. There seems to be three endings, walking down a trail, blown up good ... then smash it with a hammer, because it was garbage. Pick up the book, the book was great. I was excited when i first saw they made a movie based on the book, then i saw it and ...
