I've spent a chunk of my career teaching environmental, health and safety (EHS) courses. I've know about the Certified Environmental, Safety and Health Trainer (CET) for years, but I didn't really need it for my job. Therefore, I never pursued it. I asked other EHS trainers I know and no one else had it or had even considered it.

Associate CET practice exam Flashcards | Quizlet

Those Pearson test centers don't mess around. Understanding this process was another way to eliminate unknowns and focus on the test itself. Summary. I credit my path to the CET mostly to my work experience, with support from my educational background, a decent study strategy, and a dash of good test taking.
