Chains: Seeds of America
Chains is the first novel in the Seeds of America trilogy, a series of historical novels that follows the story of thirteen-year-old Isabel, a Black American slave fighting for her and her younger sister's freedom while the Revolutionary War is occurring. The story sets in New York in the years 1776 to 1777, when slavery was legal and common in the colonies. Though the novel is fictional, the events in the story are

Chains Summary

Then Chains is the book for you. Historical fiction set in the American Revolution, the book is both well-written and well-researched, with strong plot and well-developed characters. Although the main character is a 13-year-old girl, the novel still hooks boys as the action rises.
