Top 5 Problems on Budget and Budgetary Control

A budget is usually more effective if the lower-level managers have input into the budget process. Through this process of participatory budgeting, the manager obtains “ownership” in the budget and is more likely to achieve budgetary success. Managers frequently play games with budgets and build in budgetary slack. This is the practice of

Chapter Cash Budget Problems And

If a company’s cash budget indicates a cash shortage at a certain date, the company may need to borrow money on a short-term basis. If the company’s cash budget indicates a cash excess, the company may wish to invest the extra funds for short periods to earn interest rather than leave the cash idle.
