S-Town is a new podcast from Serial and This American Life, hosted by Brian Reed, about a man named John who despises his Alabama town and decides to do something about it.He asks Brian to investigate the son of a wealthy family who's allegedly been bragging that he got away with murder. But then someone else ends up dead, and the search for the truth leads to a nasty feud, a hunt for hidden ...

let her go || Lance McClain X Reader - Chapter III, [Space]
Music in space is music played in or broadcast from a spacecraft in outer space. According to the Smithsonian Institution, the first musical instruments played in outer space were an 8-note Hohner "Little Lady" harmonica and a handful of small bells carried by American astronauts Wally Schirra and Thomas P. Stafford aboard Gemini 6A.
