## **Cisco 4500 Switches - Catalyst 4500 Switches**

Ok, Thanks. Now, i haven't actually upgraded a cisco for a few years. I will appreciate a reminder of the steps and commands. I would like to save the configuration somehow, if you have any advice on that as well, preferably in a way that i won't lose connection to the switch and it will boot after the upgrade with the old configuration - if that's at all possible.

## **Catalyst 4500-X Customer QoS - Cisco Community**
