Clark C500-S80 forklift | Item DA1728 | 8-30-2017

I have recently purchased a used clark c500 s80 8000lbs capacity forklift and would like to know its weight I am guessing 13k or so. The forklift is not running and I must now move it to a different location a few miles down the road. I have a way of getting it on a truck but no way of getting it off.
