Code Blue: A Textbook Novel on Managed Care (Third Edition)
Clearly, Magee understands that he has been complicit as an insider, and he issues mea culpas throughout the book. As part of his penance, he blows the whistle on guilty individuals involved with pharmaceutical companies, hospitals, health insurance corporations, the American Medical Association, medical schools, and all levels of U.S. government.

Code Blue (Prescription for Trouble, Book 1) Richard L ...
I read this book because it was written by a friend. It is used as a text book but is written as a novel. I loved the book as a vehicle of learning and wondered what other things we could learn using interesting plots of novels. Since reading it, I have encountered students who actually used it as a text book and the feedback is very positive.

Best Buy Code Blue A Textbook Novel On Managed Care By ...
Code Blue is an important book that should launch a long-overdue debate over the most important issue facing Canada " (Terrence Corcoran, Editor, Financial Post). " Gratzner proposes a workable solution for the biggest public policy problem of the coming generation — our government-controlled health-care monopoly.
