The new Necrons codex features a whopping 40 Stratagems that can be used in addition to the core ones in Warhammer 40,000 Core Rule Book, and these are split into six different categories. This makes it easier for you to keep track of the different Stratagems and when in game they are used - the same thing is happening to all of Stratagems in the new codexes.

Epic Armageddon Units Stats, Miniatures & Information

The new codex format helps to breathe new life into the faction alongside exciting new rules that help to provide a better sense of individuality to the Necrons. If, like me, you fell out of love with the Necrons due to an aging line of models and rules that felt a little half-baked, now is a good time to rise from your tomb worlds and hunt down the interlopers once again.

Epic Deed Stratagems. If you were the Space Wolves, these Epic Deeds would each get a song sung in their praise. Necrons don't have time for singing, they're too busy reclaiming the galaxy using Stratagems such as *The Deathless Arise*. Play this when your *Reanimation Protocols* haven't been as successful as you would have liked.
