Coi: Stories and Recipes, the new book from Chef Daniel Patterson, is not a traditional cookbook. It's Daniel's personal story, and the narrative he's built at his iconic San Francisco restaurant, Coi. In the book, he describes how he lived and cooked in the Bay Area for 16 years before it really began to feel like home; then slowly, he started exploring California's history, environment and culture in an effort to know and understand the place.
