Aeroplanes and Armored Cars:

A colonial empire is a collective of territories (often called colonies), either contiguous with the imperial center or located overseas, settled by the population of a certain state and governed by that state.. Before the expansion of early modern European powers, other empires had conquered and colonized territory, such as the Romans in Iberia, or the Chinese in what is now south China.

AnticolonialismWestern colonialism has engendered anticolonialism from the beginning of the age of European expansion. All empires, in fact, have provoked local and indigenous defiance, backlashes, and resistance throughout human history. The conquest, domination, exploitation, and rule of neighboring and distant peoples and their lands by a powerful and often alien polity, by their very ...
