Communism by Kendell Long on Prezi
Socialism is a common-sense path to a fairer, more prosperous and more democratic USA. Socialism is also a desperate necessity as capitalism and its unrelenting drive for profits threaten to make our planet uninhabitable.

Communism

Communism is the political and economic doctrine that aims to replace private property and a profit -based economy with public ownership and communal control of at least the major means of production (e.g., mines, mills,

and factories) and the natural resources of a society.
