You can search for a specific title or browse by genre (books in the same genre are gathered together in bookshelves). It's a shame that fiction and non-fiction aren't

Download Ebook Commvault

Concepts, Design Strategies

separated, and you have to open a bookshelf before you can sort books by country, but those are fairly minor quibbles.

The author has done a good job of explaining various Commvault components and how they work together. This is a good read for those familiar with

Download Ebook Commvault Concepts Design Strategies

backup and recovery but coming from another product. In our case, we moved from Symantec BackupExec so this book really helped us bridge existing concepts and learn new ones unique to CV.
