Computer Lib/Dream Machines (豆瓣)

I've had the honor of emailing with Ted Nelson for the last week or so. With my thinking mostly organized now it's time to write a blog post with the jist of what I've been wanting to say. I've owned at least five copies of Computer Lib/Dream Machines. But I don't keep them very long. Inevitably ...

1974 21. Computer Lib /Dream Machines 21. [Introduction]

Summary of Ted Nelson's Excerpt from Computer Lib/Dream Machines In this excerpt, Ted Nelson begins by giving his view of the truth, and how no one tells the complete truth, because there isn't something as the complete truth. He asserts that there are different views, assumptions, and supposed facts.
