Copyright - Wikipedia

If the original copyright owner doesn't license any other permissions, clicking that button is all that the TOS-required permission allows the user to do. This doesn't grant any rights to create a derivative work, or to redistribute the code outside of github.com, since the "Fork" feature is intrinsic to the github.com website.

stating your claim over a site.

Interestingly, however, it is not required for you to have copyright over the graphics, content, and artwork of your site. This comes into place as soon as you've created the content and placed it in the public domain.

About The Licenses - Creative Commons

Currently, copyright applies for an extreme term of life plus 50 or more years in almost every country. Only a handful of countries don't offer protection to foreign works - almost all countries respect copyright. When a work's copyright term finally ends, the work passes into the public domain - becomes free to everyone.
