Corporate finance for the pre-industrial world began to
emerge in the Italian city-states and the low countries of
Europe from the 15th century. Public markets for investment
securities developed in the Dutch Republic during the 17th
century. By the early 1800s, London acted as a center of
corporate finance for companies around the world, which
innovated new forms of lending and investment.*

Corporate finance - Wikipedia

Corporate Finance: Core was developed for the graduate (MBA) level as a concise, up-to-date, and to-the-point product, the majority of which can be realistically covered in a single term or course. To achieve the objective of reaching out to the many different types of students and the varying course settings, corporate finance is distilled down to its core, while maintaining a decidedly ...
