In this company, the president calls for a meeting with managers from different departments of the company. The task demands that a synopsis be given; this tackles the summary of the whole case study.

Project management: case studies by Kerzner, Harold

The case analysis does prove that Corwin had poor risk and scope management, such as, the inability of the project manager to manage scope change, which resulted in a cost overrun. Furthermore, the short bid preparation time did lead to errors, such as that of the inadequate contract management, as will be discussed later.
