Math is not a spectator sport - one
learns math by putting the pencil to the
paper! Weekly Tests: There will be a
graded test every week of the course.
Each test will be a 25 question online,
open-book, open-note test. You may not
consult with any other person while
taking the exam. A total of 35% of the
final course grade comes from these
tests.

MATH 110: Course Outline, 2016W
MATH 110 is consistent with standard
college algebra courses in universities
nationwide. For some students, College
Algebra provides mathematical skills
required for future coursework in their
chosen disciplines. College Algebra also
provides all students opportunities to
develop skills in analysis, quantitative
methods, and logical reasoning.
