The fourth edition includes new black and white and color images, updated commentary, a completely revised chapter on theory that offers a broad discussion of digital images, and an expanded chapter eight on studio critiques and writing about photographs, plus examples of student writing and critique. .

Criticizing Photographs: Terry Barrett Professor ...

"Criticizing Photographs" does exactly what it proposes to do: help students develop their skills and learn to recognize thoughtful and well-written art criticism.

Criticizing Photographs : An Introduction to Understanding ...

After an introductory chapter on the nature of criticism, Barrett suggests a process for criticizing photographs that includes description, interpretation and judgment. The author also suggests a classification scheme for photographs which he believes could be useful in forming judgments, although I found it no better than many other taxonomies and at times difficult to apply to many photographs.

Criticizing Photographs: Terry Barrett: 9780073526539 ...

Criticizing Photographs - Terry Barrett (1999) This is a pretty good introduction to the area of photography criticism. I'm not going to attempt a summary of an entire book but suffice to say Barrett is big on classification. He starts by classifying the act of criticism into four activities: describing, interpreting, evaluating and theorizing.
