Modernism is both a philosophical movement and an art movement that, along with cultural trends and changes, arose from wide-scale and far-reaching transformations in Western society during the late 19th and early 20th centuries. Among the factors that shaped modernism were the development of modern industrial societies and the rapid growth of cities, followed then by reactions to the horrors ...

Crossroads Modernism Descent And Emergence

Crossroads Modernism provides an in-depth look at how West African cultural legacies are brought to bear in the structure of a truly African American modernist creative process. Whereas much has been said about the (generally racist) use of "blackness" in constituting modernism, Crossroads Modernism is the first book to expose the key role that modernism has played in the constitution of ...
