Universalism Versus Cultural Relativism Free Essays ...

Cultural Relativism does view women rights changes as progress; however it forbids us from thinking that this is making our society better. Thus, cultural relativism views on progress makes this argument contradictory. The five tenets of Cultural Relativism undergo further explication as Rachel notes further criticism.

Cultural Relativism Essay

Cultural relativism seeks to have people judge or view values, beliefs, principles, and practices within the confines of a particular culture. This means that while the norms may vary from culture to culture, everyone is right or equal simply because there is no single system which is fit enough to be used as a yardstick.

One of the most pertinent issues of the past twenty years has been the conflict between two different ideologies of human rights on a national scale, universalism, and cultural relativism. Universalism holds that more “primitive” cultures will eventually evolve to have the same system of law and rights as Western cultures. Cultural relativists hold an opposite, but similarly rigid viewpoint ...
