How to Use Daily Skill-Builders

Daily Skill-Builders are easy to use—simply photocopy the day's activity and distribute it. Each page is designed to take approximately ten to fifteen minutes. Many teachers choose to use them in the morning when students are arriving at school or in the afternoon before students leave for the day. They are also a great way to switch gears from one sub-

Read PDF Daily Skill Builders World Geography Answers

World Geography: Daily Skill Builders is a great classroom supplement to add to any history or geography curriculum.

Depending on the complexity of each skill builder, I assign one, two, or four per day. My seventh grade students take two to ten minutes to complete each skill builder which depends on the research or map plotting involved.
