Decolonization | United Nations

Decolonization, process by which colonies become independent of the colonizing country.Decolonization was gradual and peaceful for some British colonies largely settled by expatriates but violent for others, where native rebellions were energized by nationalism.After World War II, the wealth and political support necessary to suppress faraway revolts: they ...

Milestones: 1945–1952 - Office of the Historian

As an editor at Decolonization: Indigeneity, Education & Society, I see the space we are working to create as one of these everyday acts of decolonization. Decolonization engages with imperialism and colonialism at every level. This entails an on the ground resistance to the corporate world as well as the slow 'CO 2 colonialism' of toxic waste, oil spills, carbon ...

Decolonization and the Evolution of International Human ...

In Decolonization and the Evolution of International Human Rights, Roland Burke explores the changing impact of decolonization on the UN human rights program. By recovering the contributions of those Asian, African, and Arab voices that joined the global rights debate, Burke demonstrates the influence of Third World influence across the most pivotal battles in the UN, from those that secured the principle of universality, to the passage of the first binding human rights treaties, to ...
