will mark the fourth meeting between the Dolphins (7-3) and the Patriots (8-3). The only game that wasn't decided at the last minute was the first meeting where Pace won 31-7. At that time the Mosley head coach felt his Dolphins had been reading their press clippings too much and came in a little over confident in that game. In the ...

The pannexins (Panx) are a family of chordate channel proteins with ancient homology to the invertebrate gap junction proteins called innexins. Only three distinct pannexin paralogs have currently been

described in the Vertebrata, although all three are represented by orthologs in each of the major vertebrate clades. As public sequence databases have expanded however, a fourth pannexin ...
