I have had the DRA-635R since 1995, when I bought my first one (I lost one in a divorce). I went right back and bought another one, used, this time. I can not imagine a solid-state receiver having a denser, more homogenized sound than this Denon model. The sound just exudes quality at every level. I ...

Denon DRA-685 Manuals and User Guides, Receiver Manuals ...

I only use this for two channel stereo. Clean sound quality that is very neutral especially with tone defeat on. I wish it had a stereo/mono switch and a digital input. What I dislike about it is everytime you power it on it automatically defaults to tone defeat off mode. I wish it would stay where ...
