India (Herodotus) Darius the Great had conquered this territory in 516 BC. The Greek colonies in Asia Minor (western Turkey) were already part of the Achaemenid Empire since 546 BC and, thus, the Greeks and Indians came into contact with each other as subjects of the Empire.

Travels with Herodotus by Ryszard Kapuściński
Herodotus was an ancient Greek historian who was born in Halicarnassus in the Persian Empire. He is known for having written the book *The Histories*, a detailed record of his "inquiry" on the origins of the Greco-Persian Wars. He is widely considered to have been the first writer to have treated historical subjects using a method of systematic investigation—specifically, by collecting his materials and then critically arranging them into an historiographic narrative. On account of this, he ...
