Design and Form: The Basic Course at the Bauhaus and Later ...
Johannes Itten (1888-1967) concerned himself with the problems of design and color all his life. His color theory, which has been published in The Art of Color and in The Elements of Color (Student Edition), is a convincing synthesis of the knowledge of the great painter and the experience of the progressive educator, the two elements that informed Itten's personality and his work."

Design and Form: The Basic Course at the Bauhaus and Later ...
Johannes Itten was the "weird" bald teacher at the Bauhaus. This book is more for teachers than students and is sometimes eccentric. The foundation exercises described in Design and Form would not find an audience in a modern graphic design curriculum. Read it if you like design history.
