Design: Creation of Artifacts. ... I wanted to take this class because I'm fascinated with design-- and yet working with actual objects is a little out of my comfort zone. I'm also interested in learning more about online communities and online learning.

Design Creation Of Artifacts In Society Karl T Ulrich ...  
Design artifacts ought to hold historical interest if that history is the story of the product's development. A set of wireframes with annotations from usability testing holds historical interest. That artifact, that sketch or .rpf file, contains records of the idea in its early phases.

Design: Creation of Artifacts in Society  
The central theme of this monograph is that a unifying framework informs the human activity of design across all domains. With few exceptions, each idea in this work applies to graphics, environments, products, software, services, machines, and buildings. I dream that the design process could be integral to the primary, secondary, and post-secondary education of all individuals in modern society.

Design: Creation of Artifact Portfolio | Design: Creation ...  
of design science and its artifacts, as well as related design research questions and goals. Part II deals with the design cycle, i.e. the creation, design and validation of artifacts based on requirements and stakeholder goals. To elaborate this further, Part III presents the role of conceptual frameworks and theories in design science.
