Design Your First Research Proposal - R. Vithal, J. Jansen ...  
The first one is the importance of a clear research question. The second one is to be very clear about your research design. The third one is to be clear about the methods you propose to use and they may change as the research goes on. 01:09. And the last one is a realistic appraisal of resources. So when we're talking about design, research ...
