The Regulators (novel) - Wikipedia

Stephen King has taken himself to be so political lately that bleeds through and his writing and its is offensive to those that don't hold his liberal views. Also I think he's living in the past, because his writing reflects certain little things that just strike you as being almost senile. But it Stephen King he still writes well and tells an ...

Desperation is vintage King--you can feel his energy and confidence from the first sentence. The opening scene sets the pace for the entire book, as two characters are pulled over by a policeman. A nerve-wracking experience to be sure, but one which we are all familiar with. King then takes this ordinary situation and gives it a little twist.

Stephen King's Desperation - Wikipedia

The Regulators is a novel by American author Stephen King, writing under the pseudonym Richard Bachman. It was published in 1996 at the same time as its "mirror" novel, Desperation. The two novels represent parallel universes relative to one another, and most of the characters present in one novel's world also exist in the other novel's reality, albeit in different circumstances.
