2) Do I run my offense from the shot gun and/or pistol? If you run your offense under center and you want to run this play then I have some bad news for you. You can't do it. Well, you might be able to do it, but I'm not smart enough to tell you how to do it. Sorry. But the good news. If you are a shot gun and/or pistol team then you ...

Diamond Pistol Offense Plays

The Diamond Formation forces the defense to defend both sides of the formation. Since it's a balanced formation, you can run the Power Concept to both sides. The double tight-ends will give you more blocking power at the point of attack, as well as a play-action passing threat.

Pistol Offense Playbook

Last season, a formation that grabbed my attention was a double slot formation with either two backs, an h-back and a slot receiver or extra running back. It has all of the benefits of a diamond pistol formation along with the ability to stretch the defense with the pass because four receivers are aligned at the line of scrimmage.
