John Swinton (theologian) - Wikipedia

Disability advocates are most troubled by Confucianism (Lam et al., 2010), which is regaining prominence in China. Confucianists believe that social order and harmony overpower everything else, even at the expense of one's own opinions, beliefs or values (Lam et al., 2006). This social idea opposes Western individualism.

Disability and religion - Wikipedia

The limits model is drawn from aspects of disability studies, theology, feminism, anthropology and Biblical scripture to develop three claims of the Christian tradition with which to engage disability. That is, limits are: (1) unsurprising characteristics of humanity, (2) an intrinsic aspect of human existence, and (3) good and not evil.

Disability In The Christian Tradition

But never has one volume collected the most significant Christian writings on disability. This book fills that gap. Disability in the Christian Tradition: A Reader - Kindle ...

Jesus became progressively physically disabled through the long process of execution, as well as suffering the loss of freedom and complete social rejection and humiliation. To this evidence is added that of the wounds of the crucifixion in the resurrected body of Jesus (for example Luke 24:39-40 and John 20:27).
