Doctor Who The Crawling Terror

While "The Crawling Terror" is hardly life-changing fiction along the lines of something by Thomas Pynchon or Umberto Eco, it does exactly what it's supposed to do: tells a hard-charging science fiction story with lots of bugs, scares, chills, and knowing nods to "Doctor Who"'s very long past.

Doctor Who: The Crawling Terror (Doctor Who (BBC)): Mike ...

Sounds like an episode of Doctor Who to me. Actually, The Crawling Terror by Mike Tucker will almost never be made into an actual episode because the CGI cost would be too high, however, with a good imagination Tucker's book is the next best thing or perhaps even better for book loving Whovians. I was highly impressed with Tucker's offering.

Doctor who. The crawling terror (Book, 2014) [WorldCat.org]

Definitely "crawling" What is the obsession of the Doctor Who novels with horrible mutant bugs as the alien monster? I'm pretty sure this is the fourth or fifth novel I bought that has them. I suppose they're relateable. Definitely creepy. I almost set it aside when sedan-sized mosquitoes flew in.

Doctor Who: The Crawling Terror: Mike Tucker ...

The Doctor and Clara investigate mysterious cobwebs and mutant insects in a small village known for its ring of ancient stones, as well as a few other curious things (either in the present or in the past). At first, they don't seem to be really linked together, but the author makes all those lines converge together in a timely fashion.

Doctor Who: The Crawling Terror by Mike Tucker ...

Mike Tucker might depend on conveniences just a few too many times but The Crawling Terror is enjoyable, compelling enough fare with one or two twists that keeps the sluggish second half exciting. Clara is rendered well on page but the Twelfth Doctor less so although some of his empirical speeches are spot on.
