Doing Research in Fashion and Dress - The Textile Institute

A research paper on fashion history compares and contrasts a type or style of clothing and determines how previous decades have influenced future fashion trends. The topic of fashion icons may be used to explore a distinct impact that a specific person has had on fashion. This type of paper references what the icon is known for, how the icon changed the fashion industry and which of those changes have lasted. Fashion materials and design are more tangible subject matters.
