Double Full Moon Night: A Novel: Gentry Lee: 9780553573367 ...

Double Full Moon Night begins eight years later, with Johann having taught Maria everything about her benevolent mother and nothing of her evil father. Johann has carved her an intricate set of figurines representing all the missing colonists, so that he might teach her earth history and geography and help her to develop in a social environment, even if it's only in her imagination.
