A "handy" guide to drawing hands — Drawing human anatomy is tricky, and the hands might be the most challenging body part of all. In this guide, we break down the internal structure of the hand and how you can articulate the bones and muscles under the skin. Follow these steps to bring your drawing to life.

Drawing and painting senior uses fantasy to reason with life

A still life is a drawing or painting that focuses on still objects. The subject matter is inanimate and never moves, typically with a focus on household objects, flowers, or fruits. Still life work contrasts figure drawing which focuses on a live human model. With a still life you know the objects won't ever move and you can practice objects ...

100+ Quick and Simple Drawing Ideas Inspired By Your Life

Become a life model. As the UK's first exclusive nude modelling agency, we are always on the lookout for charismatic models for life drawing and other artistic opportunities.. We do not ask for nude modelling experience as we believe that a model should be themselves – able to hold an easy-going conversation with their audience. That said, some past experience is a plus.
