Emby Row 02 See How

Emby worked fine till latest software update on TV 02/28/21 I plan on upgrading shortly, but still an odd issue none the less. I was able to get my TV into developer mode, and was able to get a very old version of emby

from Github. My movie details, trailers, and intro played without any delay. Still had a delay with loading the movie.

Roku app abysmally slow on only one of my Rokus - Emby

One challenge is that the room right next to the home theater is HVAC equipment, which can be loud. So, I'll need some sort of soundproofing. Another challenge is that the room is not that wide. Maybe 11'. So, I'd be hard pressed to comfortably fit 4 home theater chairs in a row. I'll probably go with 2 tiers, with 2 or 3 chairs for each tier.
